Toner Replacement Instructions

Replacing a Toner Cartridge

When the toner cartridge is empty, the message "Install New [colour name] toner cartridge" appears. Replace the toner cartridge following the procedure below when you see this message.

1 Open the front cover.

2 Pull out the colour toner cartridge to be replaced.

    1) Place fingers in the upper groove and slowly pull out the toner cartridge.
    2) When the cartridge has been pulled out more than halfway, support it with your hand while pulling it straight out.

3 Shake the new toner cartridge strongly with its label side down to loosen the toner inside.

4 Peel off the seal from the side, and then pull out the seal in the direction of the arrow.

5 Insert the new toner cartridge until it stops.

    (Y) Yellow, (M) Magenta, (C) Cyan, (K) Black

6 Close the front cover pressing both edges.
